OVERWHELMED AND A TAD BIT DISAPPOINTED?

Dear *Voluptuous*,

I just have to say that I'm fucking overwhelmed by the April '04 issue of *Voluptuous*. I've been subscribing to your magazine off and on for over four years now, and I have been jacking to the April '04 issue for months and am still stunned.

This is the shit!

That said, I must tell you that I have been a tad bit disappointed by *V-Mag* for quite a while now. Guys like me who like hairy pussies, unshaved underarms and pregnant women have been left by the wayside. Personally, I don't understand the shaved thing at all, but I understand that I'm in the minority in that I like some hair on my gal.

I must admit that I am a child of the seventies, schooled by *Playboy* magazine, no less, and like most men from

my generation, I love to see women presented as *au naturel* as possible. That means I like to see women a just a bit hirsute, but only in the places that matter (not on the legs!), not too much make-up and no boob jobs.

You did, with the April '04 *Voluptuous*, remind me why, despite your shortcomings over the past few years, I am going to re-subscribe to both *Voluptuous* and *SCORE*. Pregnant Josephine just rocked my world with her hairy twat—unbelievable!

Of course there are going to be those prissy, wussy boys who hate the hair and the pregnant aspect, but fuck them! I wait all year long to see one shot of a pregnant woman and you guys pulled it off! I will keep re-subscribing to your mag, even though I know there will be those long dry spells. I think it would be fair to publish shots of unshaved women, possibly pregnant, every five months or so. I know you are going to take some heat for it, but we in the minority need some fucking relief for fuck sake.

If you're like V-Mail letter writer S.F. and "wait like a malnourished hyena for" Desirae pictures, here are a few from Desirae'sWorld.com, the only website dedicated to one of *V-Mag's* more popular models. As for more magazine pictorials of Desirae, we have lots more, coming soon.

We don't run pregger pictorials too often, but when we do, they're good ones. Here's a look at *Voluptuous* fave Denise Davies, poppin' and in full bloom during her sixth month.

Where the hell else are we going to go to see such stuff?

Thanks also for Desirae. I wait like a malnourished hyena for her photo spreads. I sped through this magazine and was saddened by the fact that I have to wait at least another month to see more of her.

Thanks for all of the fun. *Voluptuous* is the greatest fucking whack magazine that has ever existed!—S.F., e-mail address withheld

A MARIA MOORE SIGHTING?

Dear *Voluptuous*,

I was on Spring Break during the month of March in Panama City, Florida, and when I was on the beach with some friends I noticed this voluptuous beauty who was sunbathing with no top on (unfortunately she was laying on her stomach). I had

to do a double-take of this woman because I was pretty sure that it was Maria Moore.

The thought that I was just inches away from *Voluptuous* greatness drove me insane, but I didn't have the balls to ask if it was really her.

Do you think you could verify whether or not Ms. Moore was in Panama City for Spring Break, making me, as well as other *Voluptuous* lovers, drool?

By the way, the magazine rules!

But, do you think you guys could do a Lenka pictorial any time soon? I have a bit of a schoolboy crush on the gypsy goddess! And keep it coming with Denise Davies, Nadine Jansen and Nicole Peters. Thanks for everything.—"Eric," Georgia

Maria Moore wasn't Spring Breaking in Panama City last March. It's too bad, because had Maria been there, this is what you might have seen on the beach.

MORE ON DIANE POPPOS

Dear Voluptuous,

I would be grateful for more information on Diane Poppo, including her previous appearances in *Voluptuous* or *SCORE* and any DVDs that may be available for purchase. I would also be grateful if you could let me know how to obtain them in the United Kingdom, as all of the addresses I have come across in your magazine and on your website are in the United States. I would also be interested if there is a Diane Poppo fan club mailing address that I could contact her at.—S.H., Manchester, England

Dear S.H.: In order of your asking: Diane Poppo magazine appearances: *Voluptuous*—March '04, Jan. '04, Holiday '02, June '02 and Jan. '00; *SCORE*—Sept. '03, April '03, Sept. '02, April '02, Sept. '01, Sept. '00 and Aug. '00. Many are sold out. Please check the Back Issue Department on pages eight and nine for availability. As for videos and/or DVDs, The Diane Poppo Collection (right) is all there is, and in spite of the American address, we ship hardcore videos to the United Kingdom daily. That's the good news. The bad news, at least for those who want to write Diane, is that she does not have a fan club address. Having just recently started her own business, Diane simply does not have the time. She is your typical small-business owner—the first one to arrive and the last to leave—and most, of her energies are focused on running her store.

A JENNY FAN CLUB?

Dear Voluptuous,

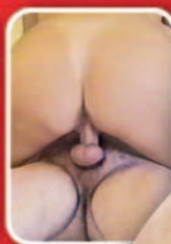

My name is B.B., and I am a disabled U.S. Army veteran. I'm doing very well in spite of my injuries, and I want to thank you for your wonderful magazine, *Voluptuous*.

There are a lot of guys out here just like me who depend on magazines and videos like the ones you offer. We may not be able to do all the things we once were able to do, but that doesn't mean we've stopped being able to appreciate beautiful, sexy, girl-next-door types like the ones you feature. It may only be fantasy sex, but it is still

JOANA

Your first peek-a-boob at greatness in the making!

All righty V-men, here cums the first babe of the month, and she's a good one. From Romania, the newest hot breeding ground for big-tit naturals, Joana is her official name, though if you're looking for a nickname, how about...2004 Newcomer of the Year? Yep, Jo has that kind of potential.

A waitress/manager at a coffee shop in a town so small Joana has asked us not to publish it, she was discovered right along with last month's awesome Romanian Crisa. Just a small-town lady with a big-time rack, and not a stitch of hair down there, Jo comes from a long-line of busty women. "I have two younger sisters whose breasts are just as big as mine and my mother's breasts are even bigger," says this quad-lingual brainiac (Romanian, Hungarian, German and English), who is posing secretly for extra money. "My mother would kill me if she knew I did this, so we have to keep this a secret." Mum's the word, V-men!

With full F-cup boobs and perfect areolae, Joana is your basic dream-babe-cum-to-life. "My family is very religious. I am not allowed to date and am supposed to be saving myself," Jo told us, which had a lot of our staffers checking out airfare prices. "I have played around some, though, and I am posing, so I am not a vestal virgin. I like to be naughty, when I can." And we like you being naughty. Welcome to *Voluptuous*, Jo. Here's to a quick encore!

better than no sex at all. And, trust me, we do find ways to get sexual gratification when the need arises. Red blooded, heterosexual disabled veterans are pretty remarkable and resourceful when they focus on their abilities rather than their disabilities.

My main reason for writing you this letter is to inquire about one of the models in the Jan. '04 issue of *Voluptuous*. I know that you do not give out personal information about your models, and to protect their privacy you should not.

However, I thought maybe you could send one of the models my information so we could possibly correspond if she would like to.

I'm not a crank or a stalker (Hell, I'm doing pretty good just to get around town), but I was struck with the exceptional beauty of the model named Jenny featured on pages 52-59 and I would like to tell her so.

The "Bare Facts" section of her photo section said she lived in London, England, so the chances we could ever meet are slim. I don't foresee travelling to England at any time. Knowing that a meeting would probably never happen, I would still dearly love to pen pal with her if it is at all possible.

Please trust that my letter is sincere and that I would not jeopardize my chance at being her pen pal by writing anything disrespectful to her.

Thank you for your magazine and your time.-B.B., Missouri

Dear B.B.: Your address is in the mail to Jenny, and though we cannot make any promises about a pen pal relationship with Jenny, we wish you well.

DEVIN TAYLOR

The 2004 Plumper of the Year contest is shaping up into one helluva battle!

Ain't that the truth! Not only is last year's winner, Samantha, going to be in the running, we have had so many awesome plumpers this year...from newcomers like Bozena and Taylor Stevens to 2003 Model of the Year Kerry Marie (who's plumped up big-time) to...Devin Taylor. There are many who felt that Devin, who was second in last year's voting, should have won, and looking at her newest photos, they may be on to something. Is Devin merely a contender or the legitimate front-runner? Take a look and decide for yourself!

A curvaceous, full-figured bundle of effervescence, Devin is also what we'd classify as a high-taste babe. Some of her likes? The low-cost ones are "flowers from daisies to roses" and "candles of any kind." But, if you want to make an impression with Devin, she has a "weakness for Louis Vuitton purses and anything from Tiffany's...I just love that baby blue box." Or, if you really want to make her happy, "a new SUV of your choice! Hey, a girl can dream, can't she?" Guess we big-boob lovers aren't the only ones with big dreams.

So, Devin, what's new with you since we saw you last May? "Nothing really. I'm just working on my website, you know, meeting guys, having as much fun as I can. That's the kind of girl I am. I live to have fun!" Want to have fun with Devin? Log onto the internet and head to her website, www.DevinDDD.com. All the details you need for dinner with Devin, a movie or whatever your heart desires are there.

HAYDEN

**She's a naughty newcummer...
And loves to talk about it!**

Here comes another first-timer, and rather than tell you all about her, we'll let Hayden do the honors... "I'm a naughty girl. Spank my bottom, pull my hair, fuck me hard and deep from behind! My assertive nature helps to keep sex fun and adventurous, but sometimes I just want to be dominated. I do have sex almost every day, and I love to orgasm! My boyfriend says he likes to have sex 5-6 times a week to keep me out of mischief. I have such an intense sex drive, I guess he feels like I need sex all the time and he better give it to me or I'll get it somewhere else. Silly man! That's what vibrators are for!"

Talking to Hayden, you'd think she was obsessed with sex, and she is, just not all of the time. "Oh, I think about it pretty much 24/7, but I do have a very responsible job at a conservative financial services firm here in California, which is really the only time I wear a bra. I have to there. The guys would freak out. But, at home or whenever I go out shopping, I go without. I like to let my puppies hang free and poke out of a tight T-shirt. That's fun, watching guys stare at my tits, seeing them squirm to hide their boners. I like turning on guys. I like to get them horny." You ever think about boy-girl, Hayden? "Now that you mention it..." More on that in a future issue, V-men. For now, enjoy Hayden's worldwide debut, and start warming up for her encore!

THE CHECK-OUT GIRL

**Shopping at her store was a pleasure...
and customer service was #1!**

Erotic Fiction by ROLAND BYTE

Kelvin was one of those rare men who actually didn't mind grocery shopping on his own. That's because whenever he would go to the supermarket, there was a chance that *she* would be working that day. He often wondered how an ordinary cashier could be such a magnificent physical specimen, but he was just glad that

she was working in his town.

Her name tag read "Gretta" and she had to be at least six feet two inches tall, even without the huge blond curls she had pulled up on top of her head. She had a powerful, voluptuous body, and every time Kelvin saw her, his cock swelled to the point where he worried that the head would pop like an overblown balloon.

On this afternoon, Kelvin had his

shopping cart half full, but each cashier's lane had seven or eight customers in line ahead of him. He looked around trying to pick the shortest line when he spied those big curls bobbing back and forth above the sign for Lane Three.

He frantically pushed his wobbling cart across the supermarket floor and waited patiently behind six other people just to see Gretta.

It seemed like an eternity, but Kelvin's turn finally arrived. Gretta smiled but said nothing as she began dragging Kelvin's groceries across the price scanner, one by one. He stood up close to the counter to hide his intense erection which was growing with every passing second as he carefully studied her features.

She wore lots of makeup, but it was expertly applied. Her crystal blue eyes were gorgeous, and it was almost as if they were twinkling with the knowledge that she was a highly desirable woman. There was a small, black beauty mark to the left of her upper lip, and her pink lipstick highlighted a mouth that had a slight smirk implying that it was capable of very dirty, filthy things.

She grabbed the cucumber that Kelvin had picked out and held it while she punched in the product code. As she held it there, Kelvin began studying her left hand and noticed how big and strong it was. He immediately began imagining what her meaty palms would feel like around his prick, pulling it back and forth. Harder and harder. Faster and faster. His cock began to press so hard against the zipper of his jeans that he thought he might cry. It was twitching, and he felt his heart pulsing through his neck and his ears. Kelvin tried to focus on her large hooped earrings until the twitching subsided, but soon he was

and the image
of how physical

lasciviously studying her awesome physique again.

Gretta wore an open blue uniform sweater, and Kelvin noticed that she had missed a button on the white blouse underneath. Her tits were so huge, and he could see the curve of her right breast spilling out over her bra through the hole left by the missed button. Her matching blue uniform pants were stretched tightly over her sturdy legs, and Kelvin wondered how the seams didn't split as the material pulled across her huge buns.

As he daydreamed about what it would feel like to have her massive cheeks bouncing up and down on his face, the twitching began again.

The final item on the conveyor belt was a 15 pound bag of dog food Kelvin had picked up for his mother's collie. Gretta grabbed the big bag, dragged it across the scanner and tossed it effortlessly over beside the other bags—all with one hand.

Kelvin was so deeply aroused with the display

she could be in bed, that he couldn't hold off any longer.

He came.

Kelvin gritted his teeth and tried hard to show no expression from the climax to Gretta or the customers behind him. His face felt like it was on fire as he got extremely embarrassed. He kept pulling his sweatshirt down over the top of his pants as he felt the cum start to soak through his briefs. Gretta called out the grand total and Kelvin handed her a pair of twenties he had rolled up in his hand. He kept his head down as he collected his change, threw the bags into the cart and took off as fast as he could out of the store before his shame revealed itself to the public. Gretta even called out, "Have a good day," but Kelvin was long gone.

He felt like a huge asshole and didn't return to the supermarket for three weeks. His older sister had just had a second knee surgery, and Kelvin wanted to pick up a bouquet of flowers on his way to visit her. They always had nice flowers at the supermarket, so Kelvin reluctantly headed back down there. No problem, he thought. Just don't go through Gretta's lane.

It was a quiet Tuesday evening and only a handful of cashiers were working, each one with about five cus-

tomers in line. Kelvin was content to wait his turn with everybody else when he felt a tap on his left shoulder. He turned around and, at five feet seven inches tall, was staring directly into a pair of major league whoppers. He slowly cast his gaze way up and sure enough, it was big Gretta.

"I can help you over here," she said softly while chewing on some gum. Then she motioned to the express counter and headed in behind the cash register.

Kelvin tried to hand her the "Sorry, This Checkout Closed" sign off the conveyor belt, but Gretta told him to leave it right where it was.

"I'll just ring you in, then I'm off for the night," she said with a wide grin. She picked up the bouquet and waved it under her perfectly sloped nose before scanning it and handing it back across the counter.

"Oh, these are such beautiful flowers," she fussed. "Your girlfriend will just love them." She winked almost suggestively at Kelvin, who worried he was at risk of going off again.

"I...umm...I don't have a girlfriend," he replied, struggling to maintain his composure.

Gretta raised her eyebrows and her interest seemed to have been peaked. Kelvin thought maybe she'd assume

he was gay, so he tried to say something cool as he reached into his pocket for the money.

"Besides, I'm sure a beautiful woman like you gets flowers like these all the time," he gushed. Gretta's smile broadened as she took the money and gave him his change.

Then she put her hands on her hips and adopted a playful pout.

"You'd think so," she joked. "I haven't had a boyfriend in two years, though. It's reruns and ice cream for me again tonight," she sighed.

Kelvin decided to go for it.

"Say, you wanna grab a burger across the street?" he inquired, his heart pounding and his arms and legs trembling. If Kelvin had known this was all it would take to see more of this buxom superwoman, he would have asked her out weeks ago. Gretta gathered her stuff and they were off to the burger joint within 15 minutes.

The two were standing in line waiting to order when Kelvin asked Gretta what she wanted. She leaned down to speak into his ear, and that's when the miracle happened.

"I am craving meat," she confessed with a lusty whisper. "They just don't serve the kind I crave here." She ran her tongue gently along the edge of Kelvin's ear as she reached behind him and squeezed his ass hard. "Get me out of here. Now!"

Kelvin's apartment was only five minutes away, and they were there faster than you could say, "Gretta to Customer Service, please." The entire time Kelvin fiddled with his key to open the door, Gretta was talking utter filth in his ear. He quickly led her into the bedroom, and that was where Kelvin lost any control he might have thought he would have.

Gretta viciously pushed him up against the wall and held him there. She was so much bigger than Kelvin that he was entirely at her mercy.

"I've seen you at work a few times, and I thought you were somebody I could make my own personal bitch," she spat with a contempt that was both alarming and highly erotic. "Now get your fucking clothes off! Strip, you pussy!"

Kelvin was terrified not to oblige, and he did so quickly as Gretta backed away from him.

Once he was completely naked, she

MICHELLE

Germany's F-cup Fraulein is back!

Talk about life's ironies. Back in 1998, Michelle was a hot, curvy German debuting in the Jan. '98 issue. She would make one more appearance that year, and a couple more in 2000 before leaving the big-tit posing scene. With a picture-perfect *Voluptuous* body, the only problem with Michelle was environmental. In most any other era, Michelle would be worshipped like a pagan sex goddess. However, in the late '90s, the big-tit landscape had Carol Brown, Chloe, Jenny, Carrie Lynn, Sammie, Heather Michaels, and loads more. Michelle got lost in the shuffle. Now, Michelle is back, and looking at her body, we're thinking it's pagan sex goddess time!

Never a professional model, Michelle was born in Dresden, Germany to what could be considered an aristocratic family. Very well-to-do and basically richer than most lottery winners, yet having never worked a day in her life, Michelle first decided to pose nude to put some excitement in her conservative, caviar world. Getting naked for magazines like *Voluptuous* and making videos was the only excitement in her life. Now, after four years of wine-and-cheese parties, Michelle is back, and looking exactly like we described her in March '00, her last solo pictorial... "A *Voluptuous* Wet Dream Cum True!"

If there was one model in *Voluptuous* history who could head the “under-appreciated” category, it’s gotta be Michelle. “I used to think that, too,” says Michelle from her home in Munich. “I saw three Model of the Year contests go by, and I was never even a Finalist. Not once. I don’t want to sound like a prima donna, but, I guess my feelings were hurt a bit. It would have been nice to be at least considered.” Jeez, now doesn’t that make all of us old-timers feel bad? Okay, okay... we’ve been skirting around this issue for a few pages now, so we’ll just come out and say it... Michelle is so fucking awesome, we practically feel like morons for not giving the lady her due four years ago. Trust us, Michelle, we won’t make that mistake again!

CHERRY BRADY

The ultimate V-girl...and reader!

What is this? Cherry Brady's sixth *Voluptuous* pictorial in less than two years? Hey, we know a great one when we see her, and, as it turns out, we ain't alone. Every month, without fail, hundreds of *V-Mag* readers write us with three simple, but emphatic, words... "More Cherry Brady!" We hear ya, V-men, loud and clear, so save yourselves some postage, at least for one month, because here comes your dream-girl.

Although many guys consider Cherry Brady a "plumper," she really isn't. Not compared to Paige Plenty (page 62) or other great big-boned babes. Cherry is actually curvy...*real curvy*...and though she has round hips and a bubble-butt, when you look at her figure, Cherry is practically wasp-waisted and resembles an old-style, rubenesque model, which is very apropos, because that's exactly what Cherry is.

Not only a big-bust model, but a big-tit fan, the only thing Cherry Brady loves more than posing in *Voluptuous* is reading *Voluptuous*. "What can I say? I'm a big fan! Not only of *Voluptuous*, but also of adult videos," confesses Cherry, who actually wrote the script for her *Voluptuous Xtra* #8 fuck-scene. "It's my fantasy sex scene—the boss' secretary—and to see it come to life was so hot. The best thing is, I get to watch it over and over and over, and every time I do, it just seems hotter than the previous time! Like I said earlier, I'm a big fan!" Welcome to the club, Cherry!

THE CHECK-OUT GIRL

Continued from page 34

cackled with depraved delight. "I'm used to working with eight items or less," she snorted, "but tonight I guess I'll be working with eight inches or less." She was trying to humiliate Kelvin but it was only making him insanely horny.

Gretta peeled off her blue uniform sweater and Kelvin marveled at just how big and round Gretta's breasts really were. Maybe it was being out from under the supermarket lights, but her boobs looked three times larger than ever before. As she began unbuttoning her white blouse, Kelvin noticed just how far the fabric strained to keep her covered up and wondered how the buttons didn't just shoot across the room the moment she reached for them.

With the blouse stripped away, she unhooked her enormous white bra and let it hit the floor, finally freeing her prodigious orbs. They were so huge that Kelvin expected them to droop a little bit once they were liberated but they didn't. Gretta was definitely all natural but her humongous

hooters hung high and proudly on her body, sloping out nicely over her protruding tummy. The rings of her nipples were big, almost perfect circles which were as richly pink as the lipstick she was wearing. Kelvin was incredibly aroused by the tips of her nipples, seemingly the size of two succulent grapes floating around at the end of her boobs.

Gretta left her skintight pants on and her melons swayed and wobbled from side to side as she stomped towards Kelvin. She palmed his head and drove it back against the wall, aimed her left nipple for his mouth, then rammed her colossal tit into his face as if she was trying to smother him with it.

"Suck on it!" she commanded. "Suck on it hard!"

Kelvin did exactly what he was told and nibbled ferociously on her erect nub. He could feel his cock rubbing back and forth across the material of Gretta's pants and gently began thrusting his hips forward into her thigh, but that was abruptly halted. She pulled up her leg and jammed it forcefully into Kelvin's groin, shoving his throbbing member upward as her jug remained firmly in his face.

"Don't you go humping my leg like some dog," she growled. "Keep sucking Momma's tit until I say stop!" Gretta had seemingly snapped, and Kelvin remembered that she admitted to not having a boyfriend for two years. He began to worry that maybe it was because she tried to fuck her men to death.

Just when Kelvin thought he was going to choke on his own saliva, Gretta hauled her left hanger back, aimed her right nipple for his open mouth and plunged it into his slobbering face.

"Suck this one, too," she ordered. "Oh, you like that, don't you, sweetie?" She taunted him, knowing full well that he was unable to respond. His head was pinned against the wall by the world's strongest mammaries and his balls were being squashed by an unforgiving knee. He didn't know how much more he could endure but Gretta finally pulled away from him, allowing him to desperately gather precious oxygen. Gretta stood four feet away from Kelvin with her hands on her mountainous hips, her bodacious bobsers glistening from his spit.

"Listen!" she barked. "Most men can't handle me, so I don't get as much dick as I should. You think you can handle me, boy?"

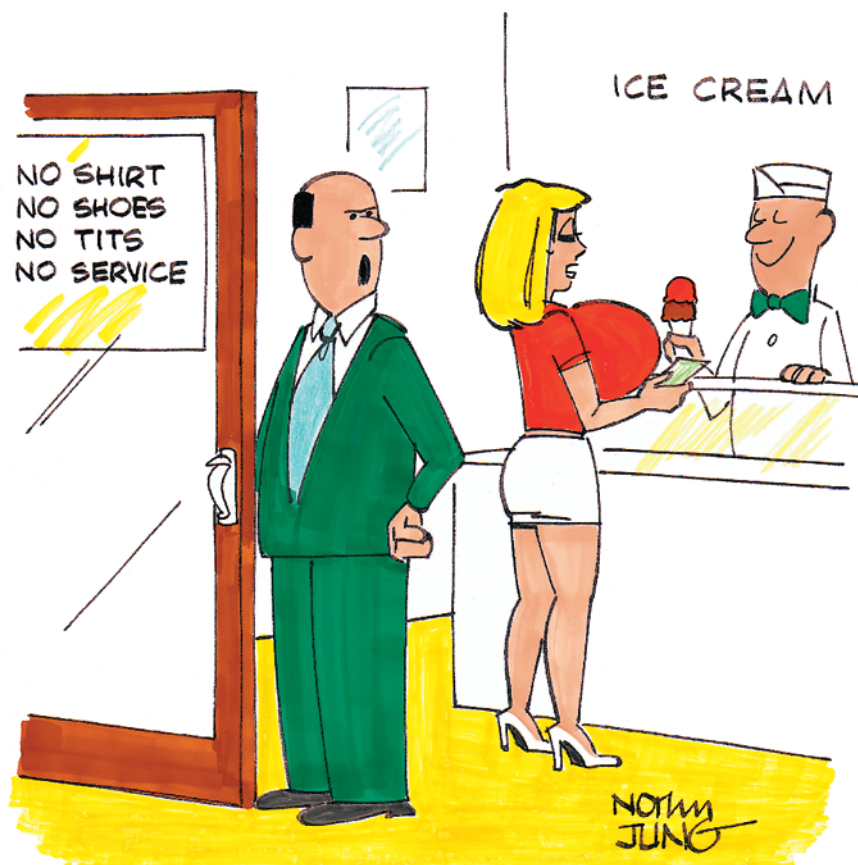

Kelvin briefly considered the risk of that erotic challenge, and then quickly nodded affirmatively.

"Good," she said. "Do what I want, how I want, and I promise, you won't get hurt too badly."

Kelvin couldn't believe what he was experiencing. A half hour ago, Gretta was this friendly, sweet cashier, and now she was a topless sexual bully standing in his bedroom. But she was making Kelvin so horny that he had to let her dominate him.

She led him over to the bed by the neck and then threw him down onto it. She unfastened her black leather belt and jerked it out from the belt loops of her uniform pants. She worked the pants slowly down her powerful thighs and slipped out of them, revealing nothing more than a tiny thong that appeared to be maroon leather. Gretta struggled to pry her microscopic underwear out of her epic, sweaty butt crack and away from her equally moist pussy, but she managed to haul it free and send it to the

Voluptuous Video Review

Stacked & Packed VOLUME 6

Whether it's one dildo or two, few women can get off like Lisa Sparxxx.

**Loaded with Voluptuous
superstars, including
Nicole Peters' First
penetration scene!**

Video Review By TIM D. FRIEND

Different women use their sex toys in different ways. In *Stacked and Packed #6*, big boob lovers will get to see six gorgeous women showing off how they use their toys. Just like when they're with you, sometimes they want it hard and fast and other times they want it slow and gentle. You'll get it every way possible in *Stacked and Packed #6*.

LISA SPARXXX

We've said it before and will say it again. You can't help but like a woman who doesn't waste any time. Lisa Sparxxx is that kind of woman.

What's not to like about a woman whose first words are... "Hi, my name is Lisa Sparxxx and I am really horny for you."

How YOU doin'?

Lisa is seated on a large wicker chair and her clothes come off quickly. That's never a bad thing, but for her it's especially good. She's a sexy blonde with juicy lips that were meant to suck cock. Her other lips are equally as inviting.

Lisa then turns into a bit of a tease, taking a while to free her pendulous boobs from the black bra holding them prisoner. She then goes about kneading those puppies like a pizza man goes through dough. Along the way, her nipples turn a pleasing shade of pink and they stand at attention from Lisa pinching and sucking on them.

When Lisa goes to get her favorite toy, somehow you knew she wasn't coming back with a set of Legos. No, it's an eight-inch dildo. This is why they call them adult toys. It takes a real woman like Lisa to be able to handle one. And handle it she does.

Lisa takes the fleshy colored tool and wraps her pillows around it, slowly pushing it through her cleavage. After sucking on the tip for a few moments, she rubs the head on her clit and then

Voluptuous newcomer Kellie Garnett breaks her video cherry in *Stacked & Packed #6*.

shoves it deep into her snatch.

Deep is the key word here. Lisa almost loses Mr. Happy a couple of times with her enthusiastic thrusting. We're talking strokes so deep and intense that you almost expect to see sparks flying out of the dildo. Instead, you see the dildo flying into Sparxxx.

Lisa is something of a rarity in the adult business in that she is ambidextrous. After getting on all fours, she works that dildo in and out of her pussy with her left hand, showing a strong and authoritative technique. She then switches to the right hand, not losing a beat, and begins to power-thrust. The girl clearly likes her inches.

After obviously enjoying her favorite toy, Lisa figures it's time for another.

"I think I need another dick in my ass," Lisa says. "How about yours?"

Unfortunately, we didn't win the lottery last week, either. So as much as anyone with more than three brain cells would volunteer to assist Ms. Sparxxx, she opts for a thin, reddish vibrator and reams her backdoor with the same sort of robust energy as she did the front. Lisa gets on all fours and crams the buzzing toy deep into her ass before going back to the wicker chair.

She sits with her legs splayed over the arms of the chair and brings back her eight-inch friend. After some thrusting, Lisa has a message. She wants you to cum on her tits. This girl sounds so serious that you can't imagine letting her down. Not long after, Lisa is pounding herself with the vibrator in her right hand and rubbing her clit and meaty pussy lips with her left hand. This continues until she rips into a short but intense orgasm.

"Thanks for helping me cum," Lisa says. "I enjoyed it."

So did we, Lisa. So did we.

KELLIE GARNETT

Kellie scares us, but in a good way. Within seconds of being introduced to this sexy British babe, how can she possibly know that we have a beer in one hand and a bag of chips in the other? I had to check the DVD player to make sure it was on and that I wasn't watching an infomercial for Miss Cleo.

The good thing about Kellie is she can get you over being rattled in a hurry. When we first see her, Kellie is initially surprised to see us in her bedroom as she is laying on her bed perusing the *Book of the Kama Sutra*. Hmm,

let's see. Kellie is a big-titted blonde and she's surprised to see a man in her room? It would take at least two dead-bolt locks to keep a V-man out.

Kellie wants you to know exactly what she's packing. "Bet you've never see tits as big as mine," the Londoner says with her sexy British accent. "Thuhty-Faww G and they're all natural. All mine."

Talk about a pair of Big Bens.

After being so polite to start with, Kellie then demands that you set down the beer and chips and remove your pants. Maybe those Brits aren't always so proper. After all, there's a time for one's mates and some beer, but the lads would understand if you left them for the bodacious ta-tas Kellie's packing.

Kellie strips off the cleavage-baring

flower-print top she's wearing, leaving her in a brilliant red bra and a pair of low-rise jeans. When the bra comes off, Kellie's claim of possibly having the biggest rack in the world doesn't seem so far-fetched.

She finds a long, swirled lollipop and makes like it's an artificially sweetened cock, sucking it deep and then rubbing it on her nipples. It's always a good thing to find a woman who likes her nipples to get sticky. Kellie makes her chest even sweeter by wrapping her melons around the confection, sliding it in and out and sucking on the tip. She then takes the tip of the lollipop and jams it against her nipple, as if she is fucking her breast. She moves from one to the other, furiously pumping it into her massive areola.

For those of you dying to see the great Nicole Peters get nasty on video, *Stacked & Packed #6* is your video of the year!

Your neighbors will think you're a sex maniac stud when they hear Melissa Carey get off!

Finally, it's time for some lotion. After lubricating her rockets appropriately, Kellie leans forward and it looks like she has a couple of watermelons hanging from her chest. She slaps her cans together, giving a round of applause that any man not named Richard Simmons would love to see and hear.

Finally, Kellie finds a king-sized vibrator and slaps her nipples with it. She tongues the head lovingly and then wraps her fun bags around it. To this point, she's still in her jeans, but that is taken care of soon enough. Then it's back to the bed. The *Kama Sutra* book is gone, but Kellie clearly has remembered the positions. She doesn't go deep with the vibrator, moving about half of it in and out of her wet pussy.

When Kellie rides the vibrator, it truly is an impressive sight to see her jugs bouncing up and down. Her orgasm isn't big, but it's clear that Kellie has been satisfied. She pulls the glistening vibrator out of her snatch and licks it up and down the shaft before thanking you for letting her lick the cum off your cock. Such manners.

Now you can go back to your beer and chips. But, do yourself a favor and stay away from the dip!

MELISSA CAREY

Melissa is wearing an outfit that every big-titted babe should own: a strapless top and an easily removable skirt. The top can be disposed of with one finger and the skirt can either be lifted or dropped. Take your pick.

Melissa's burgundy top comes down faster than a convertible and she removes the skirt in a flash. All she has

on is her long blonde hair, a pair of fuck-me pumps and some bright lipstick that looks like it came off a blow-up doll. Melissa's lips look like they would serve the same purpose, only in a much better way.

She sticks her ass in the air and begs you to fuck it hard. Now there's an offer we couldn't refuse. Then Melissa wants you to bang her pussy as she writhes around on all fours. There's another offer we couldn't refuse. Melissa doesn't drive a hard bargain, but she wants you to drive her hard.

Annie Swanson takes a monster dildo in one of her raunchiest solo, "I'm cumming!" scenes on *Stacked & Packed #6*.

Melissa then drags her nipples across her silky top, which is on the bed. The friction makes her thick, perky nips stand up at attention very nicely. We're talking United States military type of attention. Ten-Hut!

Actually, Melissa had us feeling patriotic during her scene. Her pussy was an amazing shade of red, her boobs were milky white and our balls were blue. Kinda makes you want to sing *America the Beautiful*. But it's obvious to see Melissa is a pacifist. She has the word "Peace" tattooed on her left wrist. You have to love a girl who wants to make love, not war.

While we're saluting, Melissa breaks out a bottle of lotion and spreads a healthy amount all over her breasts. It takes two coatings to cover her hooters and Melissa is looking for a third when she says she wants your load.

When the dildo comes out, Melissa treats it with tenderness. She licks and sucks the head, swirling her tongue around it to make it nice and wet before sliding it between her mammaries. Not long after, Melissa is on her back, writhing around the bed as she plunges the dildo in and out of her moist box. Her rockets ripple back and forth as she continues to slide the dildo in and out with a rhythmic motion.

When Melissa gets on top to ride the dildo, you can tell this thing is filling up her snatch. You can also tell it won't be long before she has an orgasm as her pleasure builds quickly and loudly. Melissa is a woman that might get you in trouble with your neighbors because she is definitely a moaner. Of course, what man wouldn't want that kind of trouble—and those looks of envy—from their neighbors?

ANNIE SWANSON

Annie is waiting for her doctor. We're wondering how someone smart enough to get through medical school and a residency program can be dumb enough to leave a stacked brunette waiting—for anything. Not to mention that Annie's hefty bosom is spilling out of a low-cut leopard-print top as she sits on the examination table.

After being told the doctor is running behind and that she'll have to wait (yeah, there's something you haven't heard before), Annie quickly allows her rack to completely spill out of her top. She admires her round knockers with a

SHEREE SWEET

“You might as well sign me up now!!!”

Talk about confidence! When Sheree Sweet sent us an e-mail with some snapshots, that was her header. When we read the rest of her e-mail...“I am a 21-year-old, all-natural 38FF-copper who would love to be in your magazine” and saw that she was waiting with “Five fingers crossed,” we did the same...around our hardening cocks! Welcome to *Voluptuous*, Sheree!

A part-time bartender, part-time student, full-time busty babe, don't let Sheree's "Bare Facts" fool you. Although almost six feet tall, she's not exactly the dominant, bitch-slapping, hell-raising type. "No, I'm actually a pussy cat! I'm very shy and conservative. People think that because I have huge boobs and am really tall, that I'm supposed to be this bad-ass or something. The truth is exactly the opposite. I'm very soft-spoken, almost too shy, and I'm also what you'd call 'verbally challenged.' I just clam up around people. I always have." Well, we got Sheree talking, so let's not dilly-dally. Tell us, Sheree, about those pendulous, heavy hangers of yours. "They're big, aren't they? I told you guys you would like them! You want to know what I really like? I like to watch them sway side to side and back and forth. You just don't see that with regular girls. I think it's really cool." Honestly, guys, Sheree is the quiet, shy type, but you know what? All women fuck. Even the shy, quiet ones!

Now, we didn't get video of Sheree riding the horny hog-leg. She wasn't lying when she said she "clammed up" sometimes, because she did when we broke out the video camera. But, we did get some pretty hot still photos, and lots of them. You'll be seeing Sheree's hardcore pictorial in *Voluptuous Xtra* some time in 2005. Hey, Sheree, while we have you talking, can you give us a preview of your XXX-Rated debut? "Ummm, I can't. I'm sorry." Okay, this is when the verbally challenged part comes in, but like we said earlier, even the quiet ones fuck, and boob-brothers, does Sheree ever! We're dying to show you this girl worshipping the phallic god, so don't miss any upcoming issues. Trust us, you'll regret it if you miss Sheree!

PAIGE PLENTY

We supply the girl, you bring the meat!

With most ladies, we like to be respectful, but with Paige Plenty, why bother? She loves cock. After all, she's done two fuck films, a new X-Rated one, and 67% of her *V-Mag* pictures have been getting fucked. Now, a solo? "A nice change of pace!" says Paige, who believes that a good girl has to keep the guys guessing. "And cumming!" Hmmm, See why we love her so much!

So, Paige, what's up with the new nipple jewelry. "I just felt like getting one. It didn't hurt, either, and it feels pretty sexy against my nipple, especially when I'm horny. Not like a vibrator, but more like a feather. I like it. Plus it gives guys a good target to aim for when they fuck my tits." Not a bad idea when tit-fucking is one of your all-time favorite pastimes, eh Paige? "Hey, it beats the hell out of baseball! And guys love to fuck my big tits! Best of all, it gets me off like nothing else. Pushing my tits together, tightening them around a thick, hard, hot cock, seeing the head of a guy's cock pop out of my cleavage, then disappear, then coming back, each time I'm hornier than the last until it's against my mouth and I can tongue it until it is all the way in my mouth... You guys don't know how much of a turn-on that is, to have a big cock fucking my tits and spurting love lava all over them. It's fucking awesome!" So, what do you think, guys? Nine innings of baseball or a great tit-fuck with Paige? Yeah, it's a pretty easy choice!

THE CHECK-OUT GIRL

Continued from page 50

floor. A thick patch of brown hair surrounded her plump, eager twat.

"It's cool in here," she complained sternly as she bent over and picked up her uniform sweater. She put it back on, and the sight of that open sweater over her otherwise completely naked body looked incredibly sensual to Kelvin. Gretta climbed up onto the bed, swung her gigantic rump around and backed into his face.

"Mmmm," she cooed. "Can't you smell my succulent poop chute? Stick your nose up there."

Again, Kelvin did exactly what he was told. With his nose rammed up her smelly pucker, Gretta began to wriggle and bump and grind, rubbing her colossal ass all over his face. He waited for further instructions and Gretta wasn't long in obliging.

"Time to eat some cunny, honey," she laughed. She positioned her pussy over Kelvin's mouth and he began to furiously lick her warm, delicious womanhood. She leaned forward and began to assault his prick with her bulbous floppers, using his staff like a miniature punching bag.

"Argh! Unh! Ah!" were her cries as she slapped Kelvin's man meat with one breast, then the other one. As he cuddled her cooze even more intensely with his lips, he could hear Gretta start to moan louder and louder until she was wailing. Kelvin's tongue was working overtime, and Gretta's hips were starting to buck beyond her control. She had stopped slamming her hooters into his rod and was now sitting straight up, her back arched as she straddled his face.

"Awww! Aw, yeah! Awww! Yes!"

She was going crazy. The harder he licked, the more Kelvin realized that Gretta was really this wild, man-eating sexual savage who had a filthy and ravenous dark side of desire. He was determined to work as hard as he could to satisfy her urges.

Gretta released a primal scream as her pussy began to juice freely. She dropped forward, her big body splashing down on Kelvin so hard that his head shot up and bounced off Gretta's humongous ass.

He recovered quickly and resumed eating her out like a starving lunatic.

Kelvin felt her wrap her giant fleshy bazooms around his shaft and soon she was tittie-jacking him with a vengeance. The faster he ate Gretta's dripping snatch, the harder she ran her oversized fun balloons up and down his schlang and the precum started to flow from its tip. Then her moaning intensified again.

She released his pulsating prick from the clutches of her bosoms and straightened up again. Her hips began to buck and quake, and she began riding Kelvin's face like a woman possessed, like some oversexed cowgirl on a tongue-flicking saddle.

Kelvin's mouth was getting so tired but he didn't want to quit. He could see that Gretta was about to cum, and he figured that if she didn't, she'd probably rip off his member and stuff it up his own ass.

She squealed and writhed until she let out a titanic howl and collapsed in orgasm. Again she crashed down on Kelvin and just lay there as the passion rippled through her lower body. Her face was resting in his crotch as her hips tried to stop quivering from the eruption. Kelvin took the momentary break in the action to stretch his jaw and wipe the girl-goo off his face. Gretta started to stir and pushed herself up off his body.

"That was good," she declared as she rolled herself off the bed. "Now you get rewarded."

She climbed back on top of him but they were face to face this time. She grabbed his sore jaw and began kissing him passionately, almost violently. Kelvin was certain that the taste of her own nectar was making her suck his face like he was made of chocolate. Then she slid her hand down and started stroking and tugging at his cock, even slapping it around a bit.

Gretta tenderly kissed her way down his chest and stomach, and continuing with her erratic lovemaking, she exploded into action on his dick, absolutely assaulting it with her tongue and entire mouth.

Her lips plunged up and down his pole like she was in some kind of race. She was taking his whole length into her face with every oral thrust. Gretta looked up, and whenever she and Kelvin made eye contact, she would adopt this crazed expression and start sucking even harder. Her head was bobbing up and down so quickly that

her big blond curls were becoming just a blur to Kelvin.

Now she was taking breaks to run her tongue all over the head of his cock before slamming her mouth back down on it and drilling for oil. When Kelvin didn't think he could hold off a second longer, Gretta stopped. This chick was crazy, Kelvin thought. She rose to her knees, wiped her mouth and just smirked at him. She shuffled up until she was straddling his hips.

"You're not gonna cum without ever sticking it inside me," she boasted. She reached down and grabbed Kelvin's lovestick, then lowered her slippery slit over it.

Kelvin was now deep inside his dream woman.

Gretta immediately started sliding up and down Kelvin's throbbing boner with fierce determination. She would bring herself up almost to the top of the head, then slam herself back down balls-deep. Harder and harder. Faster and faster. Over and over.

Her beefy backside was making loud slapping sounds as it pounded against Kelvin's upper thighs with each and every stroke.

She was leaning forward with her arms straddling his torso, bracing her as she churned her hips wildly and fucked Kelvin as hard as she could. Gretta was screwing the shit out of him, and he felt like his cock was being mauled, but he was content to just lay there and enjoy it. He focused on Gretta's magnificent hooters and how they vigorously bounced to her frenzied prick-pounding.

With some plunges, her boobs bobbed up and down in perfect unison, but then they'd wobble in opposite directions. When Gretta really got going, they flopped way up to the point where Kelvin thought they would start punching her in the face, but they always splashed back down onto the top of her belly like a mammary tidal wave.

The fact that she still wore her tiny open sweater just magnified the enormity of her well-endowed chest.

Back and forth, up and down, around and around. Gretta's hangers were putting on the mammary sex show of a lifetime, the pink disks of her nipples moving so fast that they threatened to hypnotize Kelvin.

As she continued driving down on his shaft with all her might, Kelvin

was groaning with bliss. Gretta was taking total control of his body, and he was slipping into a semi-conscious state from the euphoric combination of domination-induced exhaustion and overwhelming sexual ecstasy. Kelvin had become Gretta's sex slave—her “bitch,” just as she had earlier proclaimed he would be. This incredible woman was fucking his body into complete submission.

Gretta leaned forward some more and pounded his throbbing, horny dick even harder. He was pinned under all of her weight, and the way she was fucking him, Kelvin figured that her master plan was to bang him until his schlang snapped off, then take it home and put it on a keychain or something as a trophy of her most recent conquest. At her total mercy, and loving every second of it, all Kelvin could do was wait until she was done with him.

She began moaning and wailing just as she had earlier. She maintained the insane pace, thrashing up and down on top of him until she had an abrupt, powerful orgasm and again collapsed on Kelvin. They just lay there in a heap for about ten minutes, his cock still stuffed up inside her gushing box. Every so often her hips would start to churn slightly as miniature waves of pleasure passed through her lower body.

“All right,” she finally grumbled as she peeled apart their sticky bodies and pushed herself down to the end of the bed. “Time to finish you off.”

Kelvin's cock had been worked over really well, and it was already swollen from Gretta's relentless pussy-pounding.

For the first time she looked fatigued, but that didn't stop her from leaning over his ailing, yet still rock hard dong and wrapping her huge knockers around it. Gretta instantly started working her meaty jugs up and down his cock shaft at a furious pace, trying to milk him dry while barking random comments.

“Come on, you'd better cum,” she said as she frantically booby-boffed his staff. “You'd love to cum all over these big babies, wouldn't you? Come on! Come all over my tits!”

After about 50 inspired strokes, Kelvin's cock finally surrendered, sending up a rocket-like glob of thick, white guy gravy out from between

her monstrous breasts.

The initial release traveled up and landed near Gretta's left shoulder, prompting her to gasp as she watched it settle on her uniform sweater. His prick continued to empty itself, making several other sizeable deposits on Gretta's massive hooters and her chin.

"Whoa!" she exclaimed as one more load of spunk squirted skyward, then she leaned forward, stuck out her tongue and actually caught most of it on the way down.

"Mmmm." She pulled her tits away from his twitching dick and grabbed it tightly with her right hand. She pulled down hard on it twice, making certain that it had completed its explosion.

"There you go," she stated with a satisfied sigh. "Now, I gotta run, honey. It's been fun."

Indeed it had been, thought Kelvin as he just lay there on the bed basking in the thrill of what had happened, tired and very pleased.

Gretta got up off the bed and removed the cumshots from her chest and face with her fingertips, licking each of them clean afterwards.

She went on the hunt for her scattered clothes and quickly commenced dressing. She pulled on her pants and fastened the belt, then slipped out of her sweater. She strapped on her colossal bra before putting on her blouse, buttoning it up unevenly, then leaving it flapping out over her pants. She had her cum-soaked sweater balled up in her right hand when she bent over to pick up her thong. She walked the leather panties over to the bed, dangled them over Kelvin's face and then stuffed them into his mouth. He offered absolutely no resistance.

"Call it a souvenir," Gretta said with a smile and a chuckle. She walked across the room to the wall where she had earlier pinned her prey and fished through the pockets of his discarded jeans. She found a twenty and waved it proudly in the air.

"I'm going to want this to get my sweater drycleaned," she announced.

With that, she let herself out but Kelvin heard her shout, "See you around at the store," just before the apartment door closed.

"Definitely," Kelvin mumbled to himself as he fell fast asleep on the bed, Gretta's panties still sticking out of his mouth, dreaming about the next time he had to go to the market. 

MARVELOUS

It ain't bragging if it's true!

Yeah, those presidential ad campaigns blasting our TV screens may be completely full of shit, but when Marvelous tells you that she is *mahvolus, darling*, trust us, boys, that girl speaks the truth. A dancer in Southern California with no particular home club ("I just club hop wherever the action is the hottest!"), we'll call any girl Marvelous if her goal during lapdances is to grind a guy so hot and hard that he has cum shooting out of his ears! "Hasn't happened, yet!" says Marvelous, with a laugh. "But I keep on trying!" You go, girl!

One of our more rambunctious models...actually, check that. Marvelous is a fucking wild woman, with some of the thickest, hardest dugs we've ever seen! And, no, we didn't give her the ice cube treatment before we took every picture. "They're always like that!" Marvelous told us, and you know what that means. "I'm always horny! Guys always ask, 'Is it cold in here or are you just horny?'" I tell them, "Oh, I'm horny! I'm always horny!" That just stops guys dead. I guess a lot of girls get all embarrassed when a guy says that. Not me. I can dish it out better than most guys! And, when it comes to sex, watch out! I swear, I'll fuck your brains out!"

For the record, in case any of you guys can catch this wild thing at a California club, Marvelous' favorite fuck position is... "On top. I'm so petite, I like to be on top so I can fuck the guy, smother his face with my tits, pump every last drop of cum out of his cock and make him beg me to stop." Marvelous, has anybody ever begged you to stop? "You'd be surprised. I've found that, with the right woman—a Marvelous woman—guys can only take so much fucking, and then they have to stop. I don't know what it is. Maybe I'm just a nympho or something. Maybe I just fuck harder than anybody. Maybe my pussy sucks on a guy's dick better than other women. Maybe..." We oughta take a *Voluptuous* field trip to California!

hand mirror and then massages them, pausing to rub the nipples between her thumb and index fingers. She doesn't appear to be looking for lumps, though if Annie wants to search she should check our pants first. There's a large lump there. Annie could always give it a squeeze and tell us to turn our head and cough.

We're not sure what kind of doctor this is because there is a dildo on a medical supplies table next to the examination bed. Maybe it's a meDICKal supply table. Anyway, Annie reaches over and grabs a bottle of baby oil, administering a liberal dosage onto her boobies and massaging it in.

For anyone thinking "But what if the doctor comes in?" well, first smack yourself. You're looking at a super-stacked horny brunette who looks pretty damn healthy from here. Second, when does a doctor ever come early? Better to check with his wife on that because his patients would say never.

Annie finds a ribbed dildo on that table and nestles it lovingly between her cleavage. She caresses her nipples with it, tracing circles around her areola. Then she latches onto a thick, red vibrator and tongues it lovingly.

"If the doctor doesn't get in here soon, I'm going to have to start pleasuring myself with this toy," Annie says with a smile.

Well, that doesn't happen.

No, the doctor doesn't walk in. Annie winds up pleasuring herself with a different toy. Annie is spread out on the exam table, her legs parted and her breasts spilling over into her arms. She's gently thrusting a blue vibrator in and out of her dripping pussy, the longer end sliding in and the shorter end heading right for her clit. Annie flips the switch to get some action from the beads in this pleasure toy, but quickly decides it's too loud. Hey, the doctor might hear her and barge in.

Annie rides her two-headed friend before getting on all fours and sinking it into her trim from behind. She is a whiz with the controls, as you can hear by her orgasms. She has at least two that we counted.

"So much for the doctor," Annie

Holy Hooter Harnesses, boob-man! What's this, a big bra special in *Voluptuous*? Haven't seen one of these in ages. Truth be told, we haven't done a bra special pictorial since May of 1997—four different editors since then and not one big, bonerfide bra special. We all oughta be fucking shot! So, we'll understand if you guys want to take a moment of silence before we cure our seven-year itch. All righty, moment is up, time to start your stroking! One of the things a lot of guys still don't understand about bras and their measurements is, well, bras and their measurements. Simply put, the number in front of the letter is the circumference of a lady's torso, measured underneath the boobs. When you measure a woman the same way, this time over her boobs, you will get a greater, hopefully much greater, number than the first. Every inch equals a cup size, so an A equals one bonus inch and a D equals four. When you reach the rarified size of Jenny, you're talking 10 power packed inches. And, those double letters we often see, that's just bra manufacturer stuff. A DD is really an E and a JJ equals a J, if you can even find one! Got it? No problem, we're too busy stroking our boners to read all this stuff, too!

says, as if she ever needed a doctor. This girl is as healthy as it gets.

CASEY CLEAVAGE

Casey Cleavage knows what she wants. She wants you.

She makes that perfectly clear after putting on the finishing touches of her lipstick as we first meet her.

"Hi, I'm Casey Cleavage and I love it when guys jerk off for me."

Okay, terrific. You can't help but love a woman who doesn't waste any time.

Casey is wearing a furry red bikini top and a red skirt that match the lipstick she just applied. The top doesn't last long as she pushes it aside to release a pair of floppy hangers.

After massaging them for a while, Casey again knows what she wants. She wants you to cum on her tits. Instead, a bottle of lotion will have to do and she rubs it into her chest. Casey then removes her skirt, showing off her meaty ass in a red G-string.

She grabs a flesh-colored dildo, but it doesn't stay that color for long. Casey pops it into her mouth like a treat and proceeds to engorge herself on the faux man meat. Casey gets her lipstick all over Mr. Dipstick, leaving red marks all over the rod. We always like it when ours looks like that.

Casey dispenses a rather large portion of lotion between her melons and rams the dildo between her tits. Turns out she needs all of that lubrication as she goes wild with the dildo. With her left hand filled with her tits, Casey slams the dildo between her boobs with piston-like fury.

When she finishes there, it's time to do the same with her pussy. Casey knows one speed: fast and hard. She continues in that manner, slamming the dildo in and out of her sopping wet box until she's forced to switch hands. Yeah, guys, sometimes a woman's hand gets tired, too.

Casey gets on all fours, showing off an intricate tattoo on her right hip and that plump derriere, before showing the dildo right back into her cooze. After more thrusting, she brings out a thin, red vibrator and plunges it into her ass. The strokes there are just as fast as Casey probes her ass with the dildo remaining buried in her pussy. This is a

Furious self-fucking and double penetration are what Casey Cleavage is all about in her first X-Rated video.

girl who can multitask.

Finally, Casey rolls onto her back and again slams her pussy with the dildo, which eventually results in the best orgasm on this tape. As Casey's right hand pumps the toy in and out of her, you can hear her orgasm build until she hits the peak of passion.

But Casey's not done yet. She uses the dildo to frig herself to another orgasm, rubbing the toy against her engorged pussy lips until she is satisfied once again. After all of that, Casey licks her juices off the dildo in such a way that you wish she would go for a third orgasm.

NICOLE PETERS

Nicole Peters looks like the girl next door. The really big-breasted girl next door. She has an incredibly cute face and wide blue eyes to go along with her short brown hair.

It looks like a hot day wherever Nicole Peters is. Of course, any day is a hot day when a fair-skinned melon-breasted babe is walking around in next to nothing. Nicole is strolling around in her backyard in a cute, low-cut red top, and a short skirt, both of which come off as she steps into her pool. The hot day just got hotter.

It should come as no surprise that Nicole is a good swimmer. She seems to

be better at the backstroke, probably for reasons having to do with gravity more than anything. Nicole's enormous jugs truly are flotation devices, bobbing on top of the water as she goes from one end of the pool to the other.

Obviously, Nicole is wet when she comes out of the water and finds a seat next to the pool. It doesn't take her long to get really wet as she sucks her own nipples and fingers her pussy. As she scrapes her teeth over her right nipple, Nicole inserts her middle finger into her box. Pretty soon, it's time to take it inside. Don't want to give the neighbors a free show, after all.

Nicole's bed is as big and soft looking as her boobs. The sheets and comforters give it a woman's touch. With Nicole in the bed, it looks like it would be a great place for an all-nighter. Nicole certainly doesn't do anything to dispel that notion.

She climbs onto all fours and reaches back to bury her middle finger into her warming trim. Then she's flat on her stomach and slowly working a medium-sized red vibrator around her lips and clit. After getting it inside her sugar walls, Nicole gets on her back and casually pushes the tool in and out of her, rotating it as she thrusts.

After pleasuring her hole, Nicole moves the vibrator up to her breast, licking the juices off of it and then using the toy on her nipples. She perks up her nipples, making them thick and suckable and traces the outline of the huge areola on her mountain of tit flesh, dragging it around before returning it back to her gash.

Now Nicole's legs are in the air and she's alternating with fast and slow strokes. Nicole uses the dildo to play with her luscious pussy lips before going for some more in-and-out action.

Clearly, Nicole isn't in any kind of hurry. She wants to enjoy her diversion on a sunny day and you can't blame her for wanting to linger on a body like hers. She takes the vibrator and presses it against her pussy lips, wrapping her legs around it. Nicole's orgasm isn't big or demonstrative. It's the kind of reaction one would expect of a woman enjoying a relaxing day at home.

Your days, and nights, at home with *Stacked & Packed #6* won't be as relaxing as Nicole's, not with all of the jacking you're going to do. How does a horny video reviewer know? It's going to take me at least a week to recover!

NICOLE PETERS

Bigger breasts, a hairy bush and now a dildo-stuffing video for The Great One!

Yep, it's a new nickname for Nicole Peters, *V-Mag's* 2003 Newcomer of the Year: "The Great One." With all due respect to Wayne Gretzky, he never had tits like Nicole Peters, and in a month of great news, the best of all is that Nicole's J-cup boobs are bigger than ever!

Officially a 32K-cupper, Nicole just can't find a bra that fits her. She has one 34J, but poor Nicole's boobs spill out over the tops of the bra cups the same as they would if she was wearing a D-cup training bra. Such is the life of a big-boob goddess. Only, don't tell Nicole. See, guys, she doesn't think she's a goddess at all, and though Nicole could probably make a gazillion bucks posing and making hardcore videos, this youngster prefers to live at home with her dad in England and work counseling children. In her spare time, Nicole loves to go pubbing. But, what she really loves is... painting. The Raphael kind of painting, and she's pretty damned good at it, too. Hardly the life of a big-bust superstar, but it is exactly what you would expect from this down-to-earth former cruise-ship worker who has taken Big-Tit-Dom by storm, especially now that she has gotten friskier, both in pictures and on video.

Yes, that's a dildo you see keeping Nicole and her luxuriously furry bush company. Originally bashful when she started posing in 2003, the panties have come off and, though there's no real cock to be seen in any pictures, Nicole has taken quite a liking to the dildo. For even more pictures, V-men should check out our sister-mag, *SCORE*, where Nicole has made an appearance in pretty much every 2004 issue since May, including a tit-to-tit Big-Breast Challenge against Linsey in the Nov. '04 issue. As for video, we have a review of *Stacked & Packed* #6 on page 52 for those of you who need a blow-by-blow. If you're one of those guys who says, "Nicole Peters in a dildo-stuffing video? How the fuck do I get it?!" turn to page 98, follow those easy ordering instructions, and you'll be living the good life with Nicole Peters in no time. Enjoy!

MARKETA & IVA

Three's Cum-pany!

How many licks will it take to make your roll pop? Yeah, we already came, too. But there are plenty more pictures to get you off again, especially with these two *Busty Euro Maids* feeling frisky. In the dark hair with that delicately soft cocksucker tongue, she has great tits and loves American game-shows like *The Price Is Right*, hence her sexual motto... "Pick a Door, Any Door." Iva is her name, she calls The Czech Republic home and all metaphors aside, Iva's a world-class fuck. The blonde, bombshell we last enjoyed in the July '04 *V-Mag*. She's plumper now, which is just fine for V-men who love the xtra curves. The woman we'd all love to tit-fuck...Marketa. Together these girls are a cum-shot waiting to happen.

available on page 18 of this issue)

The only question with these two hotties is, which one would you take? Each has her own specialties when it comes to sex, so that's a toughie. If you're a tit-fucking kinda guy, Iva recommends her friend, Marketa. "I think my tits are a bit bigger, but Marketa's are softer and are much sexier to tit-fuck." For cocksucking, if you've seen *Busty Euro Maids*, you know that both of these gals are deep sword-swallowers. We'll give Iva the edge for all those sounds she makes with a cock in her mouth and one plunging into her back-side. Straight fucking...Iva's a horny, tight-pussied minx, but Marketa just fucks like a world champion—passionate and great on top or doggie, so chock one up for Blondie. For anal, it's no contest. No knock on Marketa, but Iva is one of the world's best. So, which of these babes is the hottest? Iva says Marketa because "her pussy tastes so sweet." Marketa loves Iva because "I love to watch her cum." What's an editor to do except take...both. Yeah, it's a tough job, but somebody's gotta do it!

Nice pussy hair on Marketa, eh V-men? The girl is making a strong push for Model of the Year, and she takes a dick well, so you gotta give the girl her kudos. If you're simultaneously watching *Busty Euro Maids* while you cruise through this issue (damn good idea for all of you jacking solo!), we're guessing you're gonna give both Marketa and Iva more than kudos... And speaking of 21CC salutes, we were just wondering...for those of you who own that video, how many times have you cum while watching it? Twenty, thirty, forty? Man, we've cum a lot more than that! It's starting to show, too. Razor burns on the palms and one Popeye-sized forearm (Note: for future jacking, switch hands!). But, we do have a constant, shit-eating grin, and our nights and lunch-hours have gotten a lot more exciting watching *Busty Euro Maids*, so who's complaining?

CASEY CLEAVAGE

Because one hard, raunchy, cum-filled fucking is never enough!

You have to give Casey Cleavage credit. The girl won't fuck on video, but she sure does slam the salami super hard in *Voluptuous Xtra!* This is Casey's second porking of 2004, and the more we see her with the man-meat, all we've got to say is, "when is #3?"

With her first-ever video, an X-Rated pussy-stuffing display on *Stacked & Packed #6* (see page 52 for the skinny on this new *Voluptuous* video), guys have finally gotten a chance to see Casey cum, which is a sight to behold. Though she's only getting one hole plowed at a time in this boy-girl pictorial, and there's no accompanying hardcore video, what we found out with Casey is that when you give her two dildos and yell "action!" it might as well be XXX, it's that hot. If there was a red-line for dildo speed, Casey way exceeded it, and even though Casey says her pussy and asshole are tight, the girl takes "ramming speed" to a whole new level. You think you cum fast? Get *Stacked & Packed #6* and try to keep up with the mighty Casey, if you can!

*"The only thing better than
a hard dick in my tight
pussy is when guys jerk
off for me! I love it!"*
